Elizabethtown, KY 42702-1656*

October 1, 2009

Dear Dixie Firefighters Association Members,

Time has quickly approached for renewal of your Dixie Firefighters Association Membership for the upcoming year. The DFA has a variety of exciting projects taking place with many upcoming decisions to be made. Don't miss the opportunity to share in these statewide projects!

By far, the largest project that the DFA is undergoing is the planning and coordinating of the sponsorship of the 2014 KFA Conference. As all can imagine, this task takes long term planning on the part of all members in the DFA. As a department, be thinking how you can help to make the 2014 KFA Conference a memorable experience and a great success.

Another upcoming event sponsored by the DFA is the First Annual Dixie Drills. This advanced-level heavy rescue course is scheduled for December 5 and will provide in-depth, hands-on training for rescuers. Be sure to take part in this exciting opportunity for our association. For more information concerning Dixie Drills, contact Casey Hall at 270-766-5238.

Furthermore, a variety of other possible projects are currently in the works or being researched. Please encourage all members of your fire department to attend the monthly DFA meeting to provide a voice and assist in the decision making processes. Besides, each month the hosting fire departments provide excellent meals even to include desserts. The next DFA meeting is scheduled for November 19 sponsored by Glendale Fire Department beginning at 7:00!! Come and join the fun!!

Therefore, to continue to allow your fire department to have a voice in the state through the Dixie Firefighters Association, please send the bottom portion of this letter with your \$50 DFA dues to the above address prior to December 31, 2009. Thanks for your continued support to a valuable cause.

Sincerely,

Lori Roberts, Treasurer
