Unfinished Business

- None

New Business

Alan Sipes resolution to be taken to KFA. Volunteer issue the fire commission design a support group membership, won't count against you when it comes to state aid. Dixie and Green River together bring forth a resolution to secure support positions in the fire service.

Whereas the fire service is an ever changing and evolving organization, and Whereas the social climate and challenges we face today are greater than anytime in our society, and Whereas the need for community service is at an all time high, with volunteerism being an all time low, Therefore, be it resolved that the Meade County Fire Chiefs Association urges the Kentucky Fire Commission to establish and recognize the creation of one or more firefighter support positions within the structure of the fire service of Kentucky.

Approved - *Motion – Mike Hulsey, 2nd Rhonda Young.

Recommended that both Associations (Green River & Dixie) study the need and put in resolution format.
